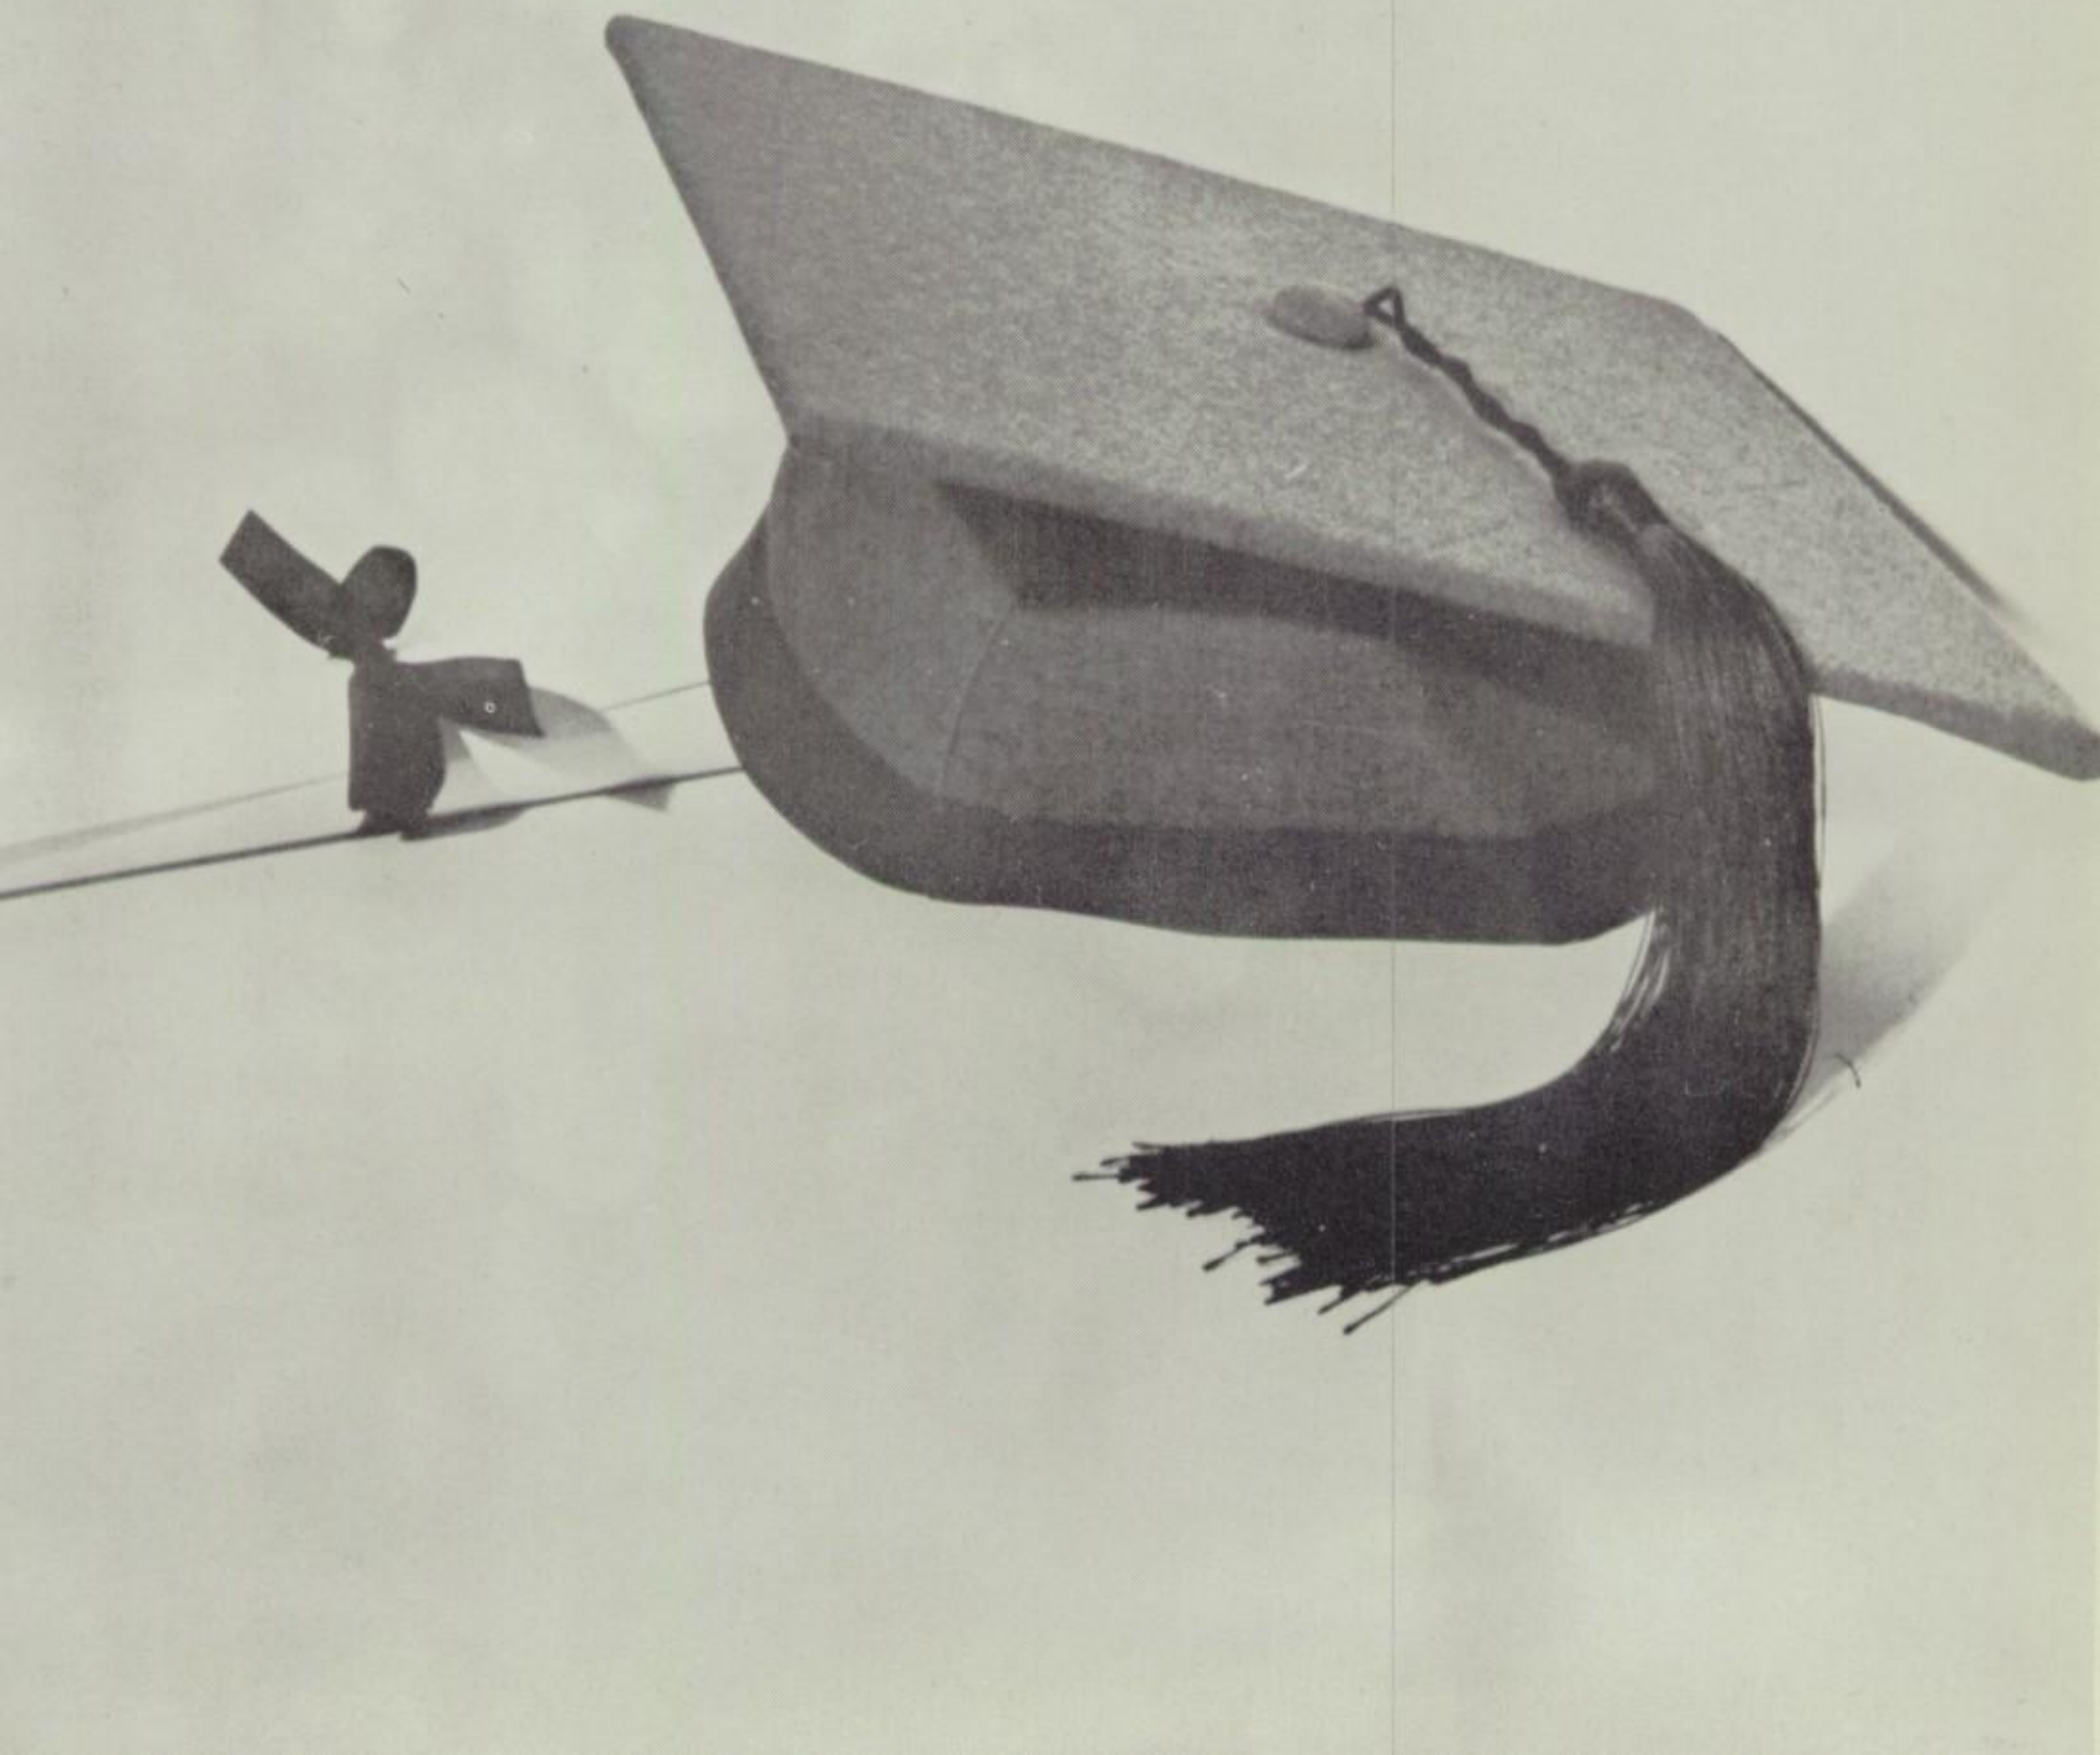
Seniors



Senior Memories

We, the Class of '54, find it hard to realize that our senior year is drawing to a close. Now it is we who are making plans for our future, filing college applications, and looking into that new job. But in the midst of all the rush of graduation and the other things that go along with being seniors, we cannot help but pause and think for a moment over our past four years of high school. We recall a few of the things that have made high school so memorable for each of us.

We will always remember the bonfire and pajama parade, when we were freshmen. Our first Homecoming, with its parade, game and dance, still seems vivid to us. We shall never forget the Hi-Tri dances, Senior Skip Day, Junior-Senior Prom, and all of the other things that have led up to the climax, our graduation. All of these things have made four wonderful and exciting years of high school.

We should like to say "Thank You" to the sponsors of our organizations, to the faculty members, and to everyone else who has helped to complete our high school days and make them something to remember always.

Now, as we leave this school and go prepared into the future, we, each of us, will do our best to make Clear Lake High School proud of us.

Miss Sponheim

This year, instead of having so many committees, there were only three. The business managers and their assistants had charge of subscriptions, contributions, and other fund raising activities. The literary editor and her assistants had charge of the descriptions of each organization, the seniors' activities through the years, the senior memories, and the wills and prophecies. The picture editor and her assistants had charge of having the pictures taken, naming each person in the pictures, and laying out the annual as it was to appear in final form.

HONOR SOCIETY

The chapter of the National Honor Society, the Semper Fidelis Chapter, was organized in 1931 under the sponsorship of Miss Catharyne Chambers. Its purpose is to create enthusiasm for scholarship and a sincere desire to serve the school; to promote leadership; and to develop character in the students of Clear Lake High School.

Membership is based on these four cardinal truths. The members of this organization are chosen by the faculty from the upper third of the junior and senior classes. New members are initiated twice a year in November and in March. Social and business meetings are held the second Wednesday of every month.

The officers this year were Marcia Watson, President; Corine Ashland, Vice President; Mary Rorvig, Secretary; Miss Chambers, Treasurer. Miss Chambers and Mr. Weaver were the sponsors.

The Library Club was organized in 1945 to encourage a desire and an appreciation for good reading among the students and to give students interested in library work a chance to explore it more fully.

The 24 librarians do library work during one of their study halls or before or after school. They mend books, check books in and out, check in current magazines keep the library in good order, help students select books, and promote better school spirit. Some have special duties such as keeping the bulletin board up to date or cataloging new books. All members attend several work nights each year to do special work.

Library Club is not all work though. It visits the Mason City Public Library during Book Week each year. There is also a Christmas party at which time members decorate a tree in the library and make other decorations.

The officers this year were Marjorie Walls, President; Joan Fuller, Vice President; Sue Nelson, Secretary; and Joan Braheny, Treasurer. Miss Ruth Sponheim is the sponsor.

MASQUE AND GAVEL

The Golden Masque Chapter of Clear Lake is a Chapter of the National Masque and Gavel. The organization endeavors to increase each individual's knowledge and interest in the field of dramatics. The members and the sponsor, Mr. Gillespie, work together casting and presenting plays and other activities of the club. Requirements for membership include working on state or backstage. Points are earned for serving on these various crews. Students who carry out these requirements and who desire to become members of the Masque and Gavel are then voted upon by the old members.

During the year the activities of the club included the all-school play, "Strange Boarders," the one-act play for contest, "Which Is The Way To Boston?" and another all-school play in the spring, "The Night of January 16." Many students and members participated in contest work this year.

Row 3—Mary Kruse, Evelyn Matson, Ron Lang, Mary Rorvig. Row 4—Ina Lee Heifner, Rac Braheny, Geraldine Brower, Terry Breheny. Row 2—Tom Atkins.

The fourteen-member staff of the Clear Lake Hi-Lights spends many hours each week trying to put out a paper.

Since Clear Lake High School offers no course in Journalism, the paper is put out after school hours by volunteer workers.

In spite of the fact that the Hi-Lights is a mimeographed newspaper, its staff has a "dead- line" to meet much the same as any other newspaper. This is necessary because production by this method means typing copy, retyping copy, and still more retyping. The production staff has an endless amount of work to do after the material is all in. This portion of the staff consists of Mary Rorvig, Shirley Highsmith, Rachel Zirbel Joan Fuller and Janet Palmer.

In addition to this, the subscription lists need constant revision and records must be kept of paper, stencils, and various other materials which are used. This portion of the work is done by the Hi-Lights business manager, Marlys Olinger.

Reporters for the Hi-Lights are Mary Kruse, Terry Breheny, Evelyn Matson, Ina Lee Heifner, Gerry Brower, Joan Braheny, Eleanor Schoonover and Linda Kotz. Ron Lang is sports reporter and Janet Palmer is editor. The Hi-Lights advisor is Mr. McCallum. Miss Sponheim is censor and Miss Golberg is production advisor.

The aims of the club are to promote scientific interest and to give to its members a chance to increase and develop their general scientific knowledge and skills.

There were seventeen members this year. Each member had his own project. The meetings were held on Wednesday evening in the science room.

A special program featuring a noted speaker or a group project was presented at each meeting. Any sophomore, junior or senior with a B average or above in science for one year is eligible for membership.

The sponsor of this organization is Miss Walters. The officers are President, Janet Hugins; Vice President, Donna Moretz; Secretary, Lois Pugh; and Treasurer, Susan Bower.

RADIO STAFF

The Lions Roar, as the high school radio program was called, was presented weekly over station KRIB. The fifteen-minute program included school news, sports, music, interviews, dramatics, and a variety of other activities. Made up mainly of members of the speech department, the staff included Mr. Gillespie, faculty advisor; Dick Slocum, program director and chief announcer; and Richard Nichols, chief engineer. These people were assisted by many other students who were on the air at various times. Two years ago, the Lions Roar was a regular feature of the school; last year, however, the program was not produced.

The program offered rich experience for students interested in any phase of speech or radio work. The program was produced in the school; the scripts were all written by students; the announcing was done by students; and even the engineers were students. It is hoped that next year and for many more years the Lions Roar will continue to be an educational and interesting extra-curricular activity of Clear Lake High School.

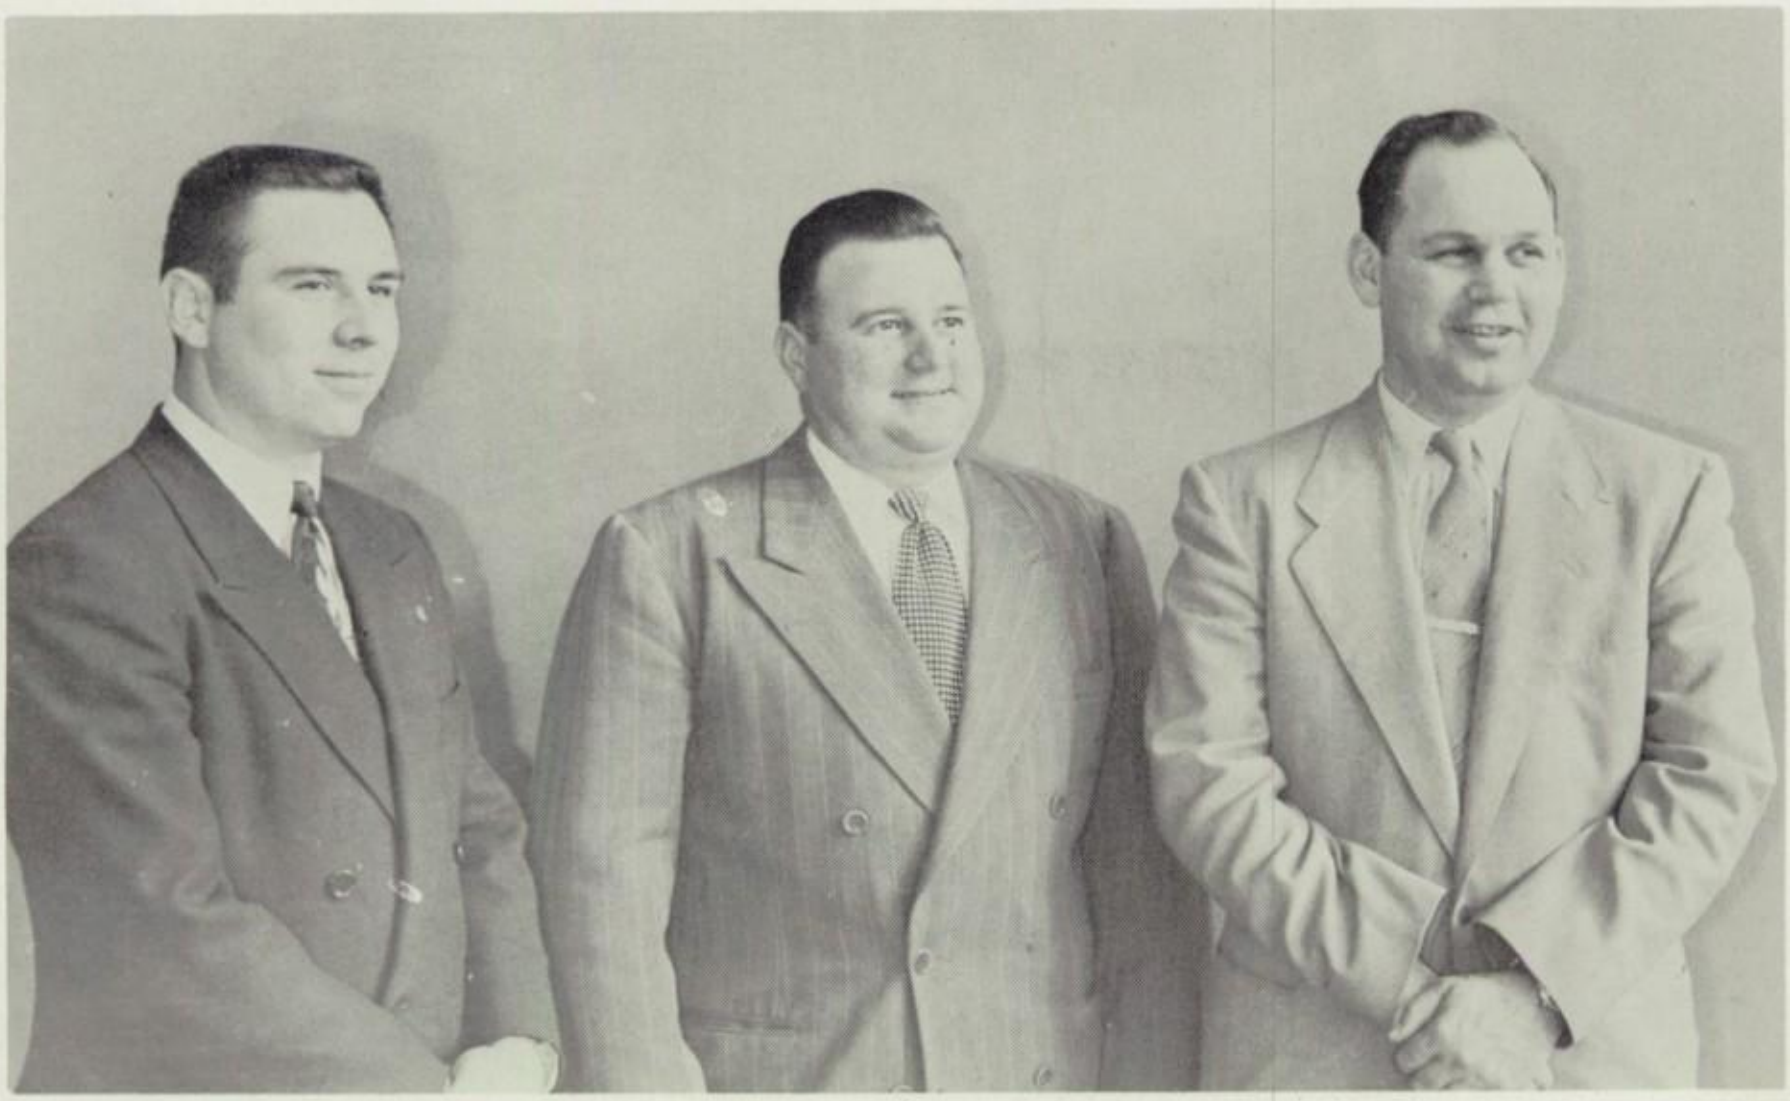
Athletic Dedication

As an expression of deep gratitude to the Clear Lake Lions Club for giving us our Lions' Field, for their generous contribution to our annual, and for the thoughtful and loyal support given to Clear Lake High School, we proudly dedicate this section of our 1954 Yearbook.

COACHES



Del Mully

Del is our head baseball, basketball and assistant football coach. He started college at Iowa State Teachers College, but in 1943 he entered the armed forces. After three years in the Army he returned to I. S. T. C. to finish his college education. He majored in physical education and minored in mathematics and commercial subjects. Mr. Mully coached at Forest City and St. Olaf college before he came to Clear Lake. Beside his coaching duties, he teaches algebra, driver training and is a "C" Club sponsor.

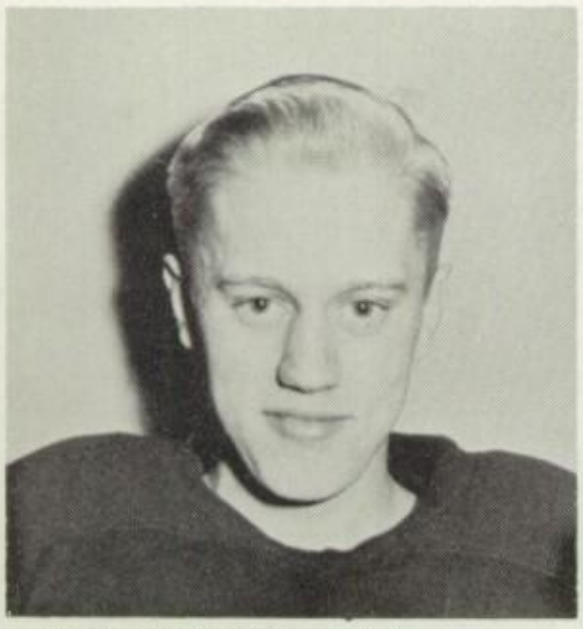
Charles Edwards

"Chuck" is our mathematics and chemistry teacher. He attended Iowa State Teachers College at Cedar Falls where he majored in chemistry and biology and minored in mathematics and safety education. During his last two years at I. S. T. C. he was on the varsity wrestling team. Before coming to Clear Lake, he taught at Jesup, Iowa. Besides his teaching duties, Chuck is a "C" Club sponsor, Science Club advisor, assistant football coach, and head coach of the golf team.

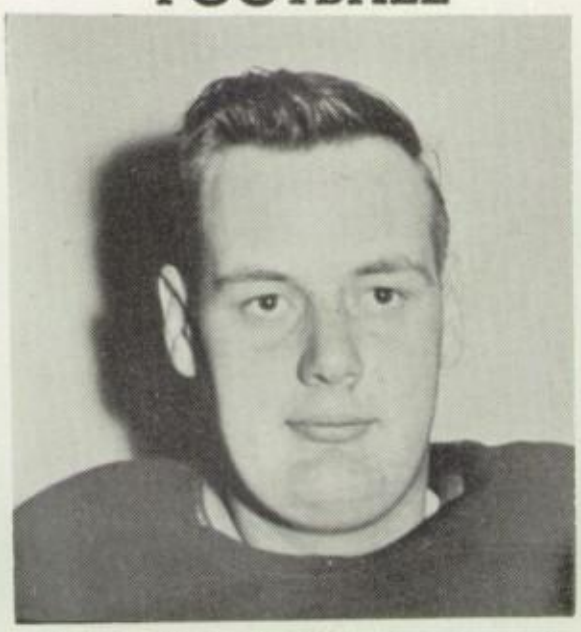
Dyle Martin

"Pep" is head football and track coach and assistant basketball coach. He received his B. A. degree from Simpson and his M. A. from Drake. While in college "Pep" played football, baseball and track. Before coming to Clear Lake, he served four years in the Coast Guard and taught three years at Tama, Iowa. Along with his coaching, Mr. Martin teaches social science, sociology, physical education and is a "C" Club sponsor.

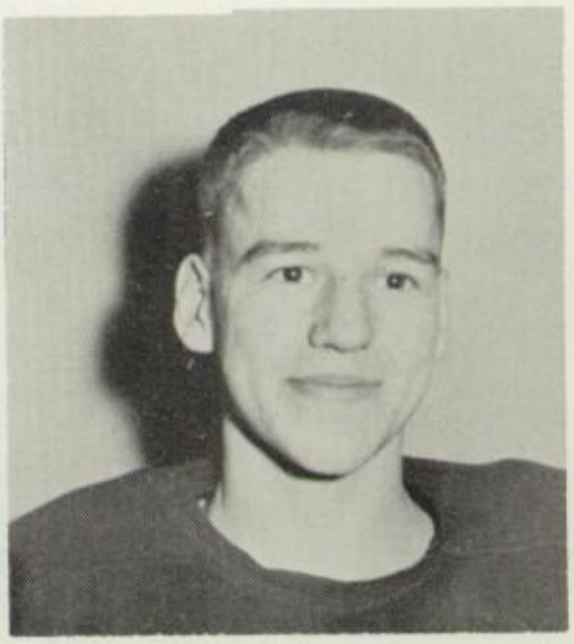
FOOTBALL



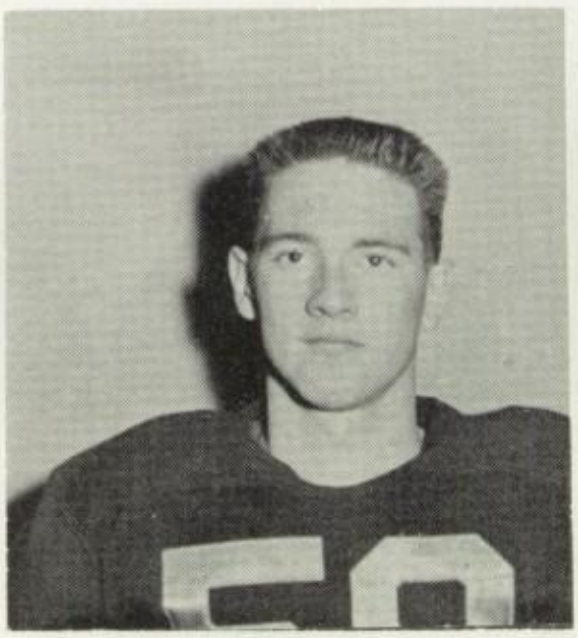
LYLE STUNKARD: Lyle was a Senior guard and always blocked and tackled as hard as he could on every play.



LARRY HUMPHREY: Larry was by far the team's biggest man. He did a good job in the middle of the line.

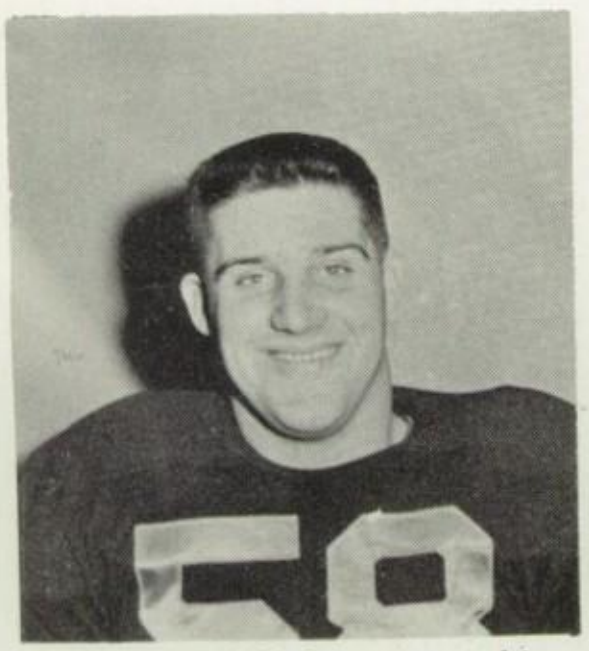


BILL TARR: Bill was a good back for the team this year, although he acquired a shoulder injury in the Webster City game and was unable to see any more action. Bill is a Senior.

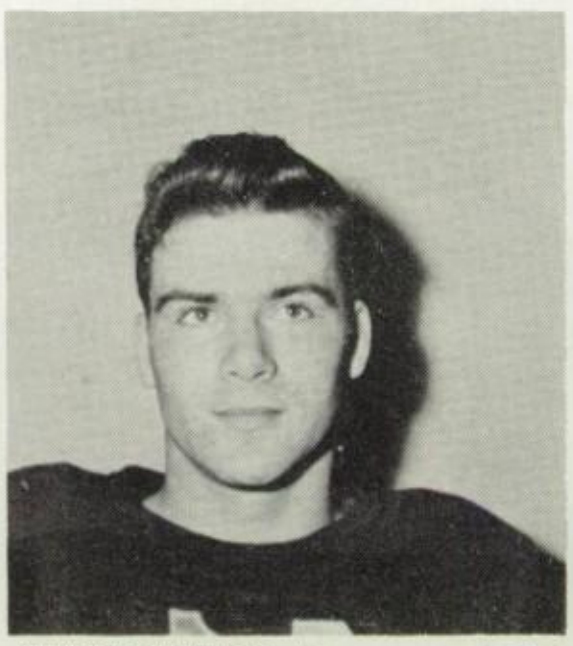


CO-CAPTAIN

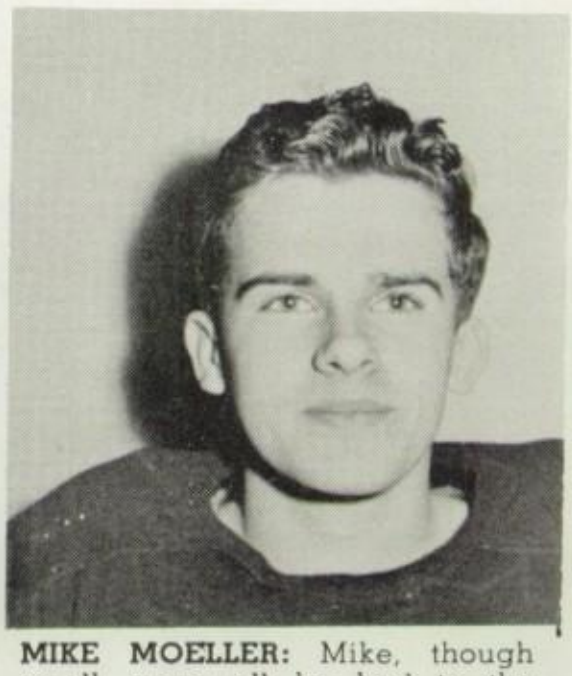
DICK PETERSEN: "Pete," a Senior lineman, was big and rough this year for the Lions and certainly proved his ability.



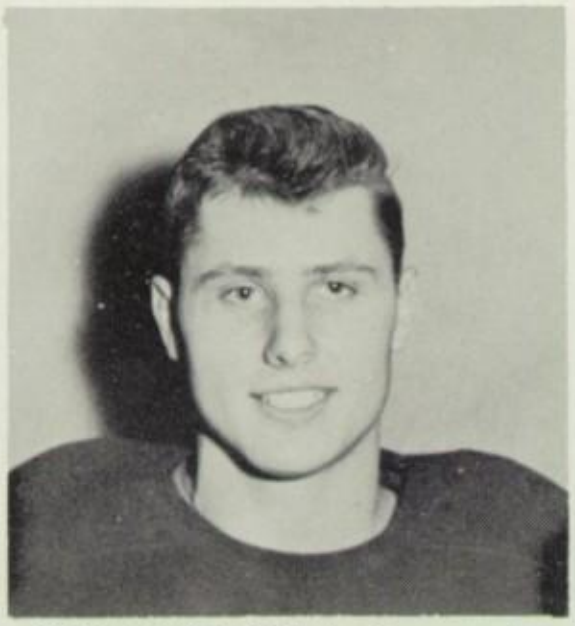
JOHN HAXTON: John was a big Junior lineman for the Lions and one of the Conference's outstanding linemen. John will be of great use next year.



JIM BROWNING: Jim was a good Senior end this year and was improving even up to the last game of the year.

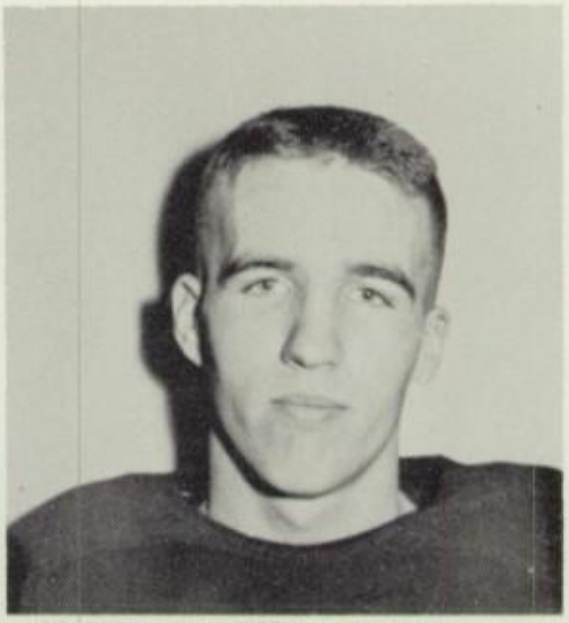


MIKE MOELLER: Mike, though small, gave all he had to the team. He was quite a morale builder for the team.



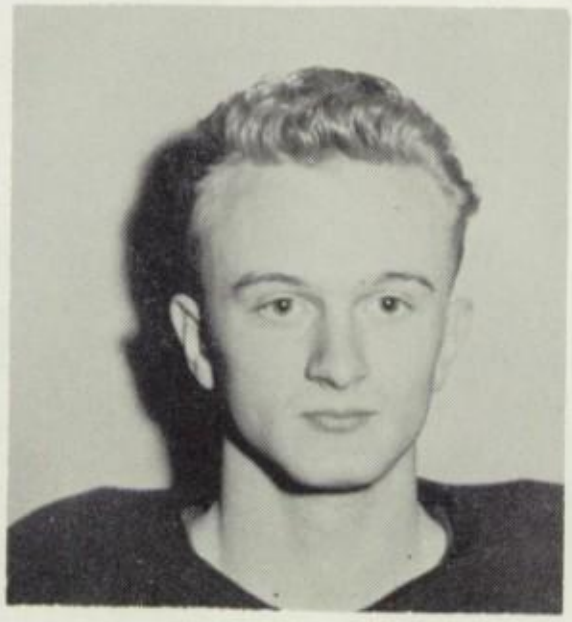
GARY PATTSCHULL: Gary made the All-Conference backfield this year and was the team's hardest runner to bring down. This is Gary's last year.

JOHN ASHLAND: "Butch" was a Senior lineman and was always in there giving it all he had. "Butch" will be greatly missed next year.

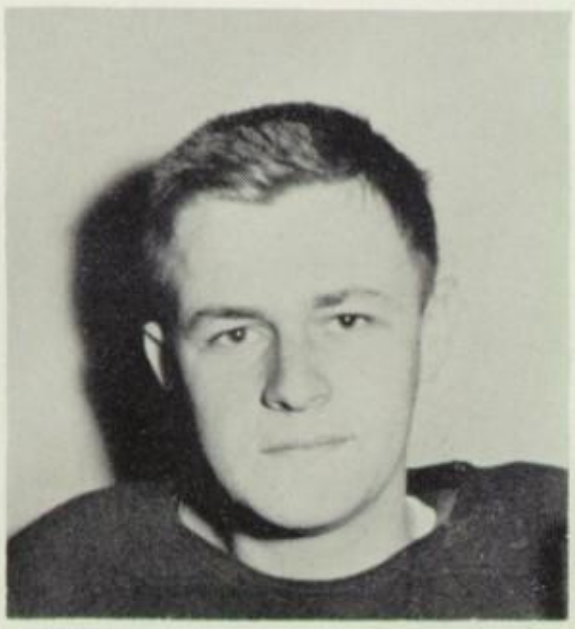


GRANT WRIGHT: "Bumps" was one of the best centers in the conference this year. "Fuzz" still has another year of football for Mr. Martin.

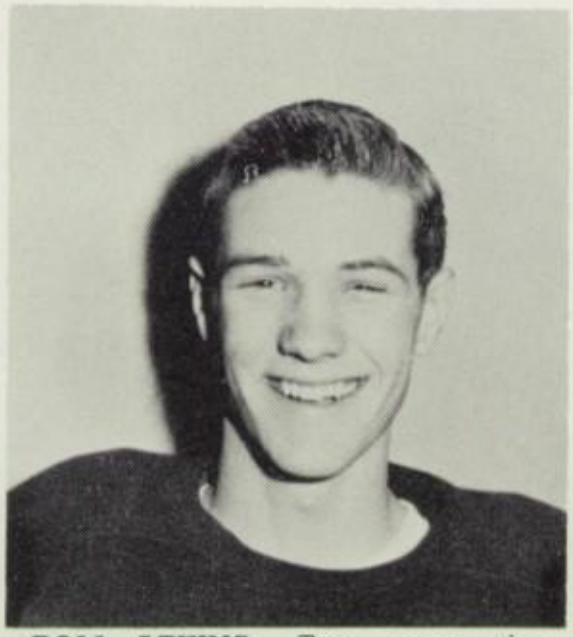
CO-CAPTAIN



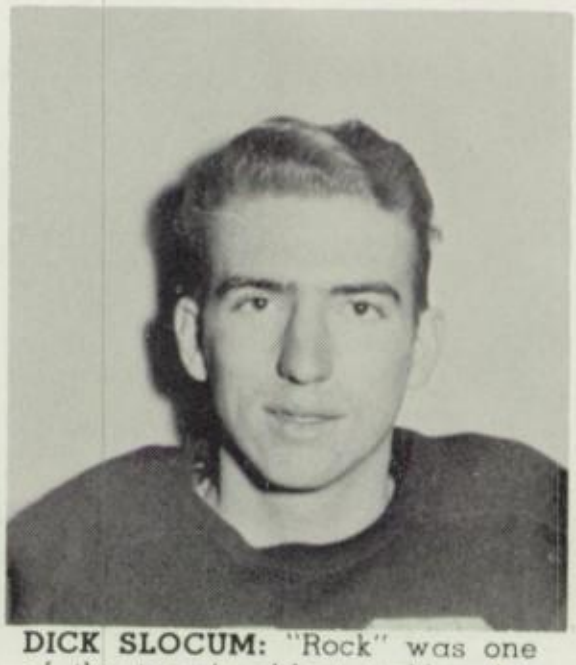
LOWELL KITCHEN: Lowell was the hardest runner on the team for his size and probably one of the most difficult in the Conference to catch and bring down. "Kitch" is a Senior this year.



TOM MILLER: Tom saw a lot of action this year even though he was injured in the first part of the year. Tom is a Senior.



TOM ATKINS: Tom was the Senior quarterback this year and did a good job playing at this position.

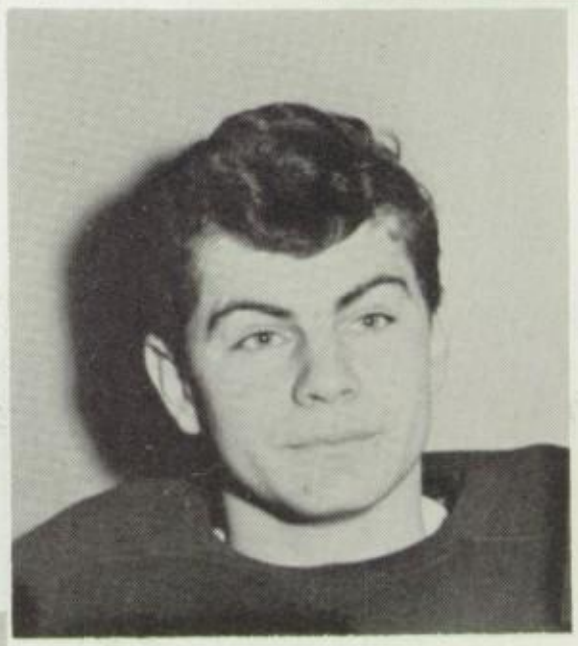


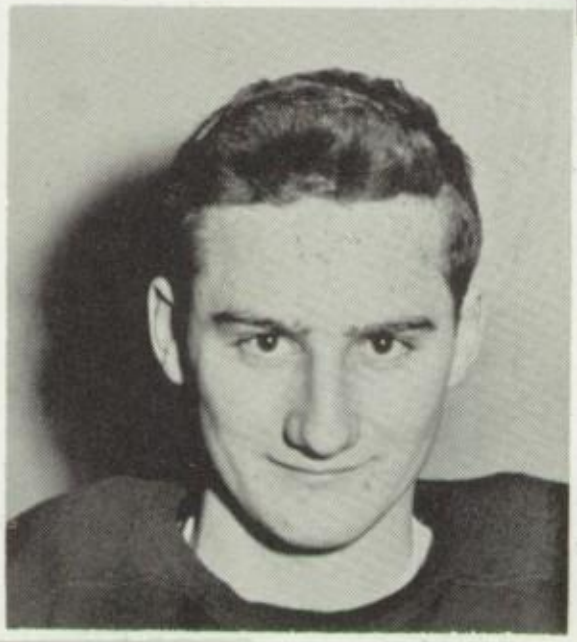
DICK SLOCUM: "Rock" was one of the team's ablest tackles this year. He could always be counted on to come through for the team. This was "Rock's" last year.

HOLMES PEDELTY: This Senior tackle was one of the team's best linemen.

KEITH HUNTLEY: Keith, a Junior back, was very fast and was always in there trying to do his best.

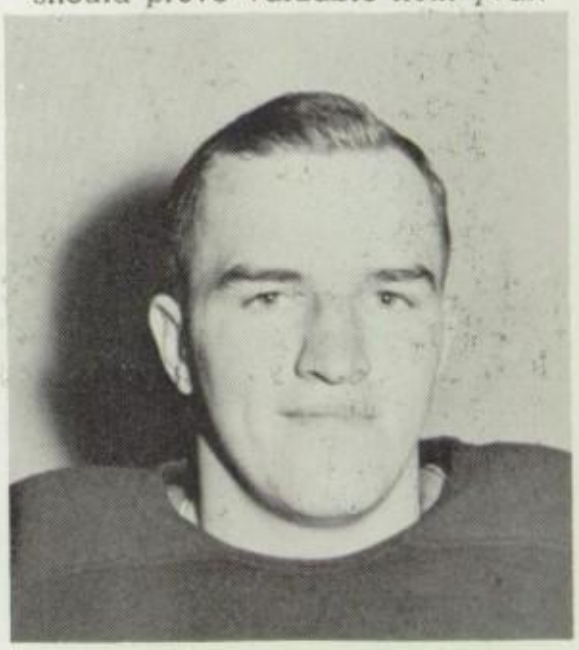
LOUIS BRAATZ: "Louie" was the Sophomore quarterback this year and will undoubtedly be an asset to the team in the next two seasons.





DON SPRATT: Don, a Senior back, came through for Mr. Martin and played some good football.

CLAYTON LINCICUM: "Clayt" a hard running Junior back, did his best at all times. "Clayt" should prove valuable next year.



BOB MEAD: Bob, a Sophomore end, should see a lot of action in the next two years for the Lions.

The Clear Lake Homecoming football game against Webster City was held October 2, 1953. The game was a very exciting one and proved to be a good showing of the team's spirit and sportsmanship.

Queen And Attendants

During the half Queen Barbara Gilquist was crowned midst her subjects by John Ashland, president of the "C" Club. The high school band formed a heart around her and her attendants, Sue Merriman and Dixie Darrow. The students in the grandstand then sang "The Sweetheart of Clear Lake High" to Barbara and her court.

Class Prophecy

Dear C. L. H. S.,

It has been ten years now since we, the class of 1954, left the protection of your walls and struck forth into the big wide world. In these ten years we have scattered to every corner of the globe and into every profession. Many have served their country and are now settled down with

IDA MARKWORTH is in Hawaii married to a handsome Hawaiian. You can find her busy teaching her six little Hula girls how to Rumba!

SALLY CARROLL is now undertaking to raise a family whie Loren undertakes. We understand they give special rates for former C. L. H. S. graduates.

We can find the now famous song writer, MARLYN CARLSON, bent over his desk working late at night on a new song. You will remember him for his famous "Carl Boogie".

ELEANOR SCHOONOVER is at the Met understudying for Rise Stevens, patiently awaiting the day when Rise is unable to go on. Her hobby is studying, "How to Commit the Perfect Crime."

We find CYNTHIA BARTLETT busily doing up the farm chores. As we look a little closer, what do we see-! Three little Pedeltys trailing Tom around the barnyard!

Next we see the towering ivory pillars of the White House. Inside we hear the famous Senator "BLACK" SLOCUM, and he is filibustering again. What can he talk about so long?? Why, himself, of course!

KATHRYN ASHLAND is in the motel business. It seems the business has changed a little though because now the motel is rented only to young, handsome, eligible bachelors.

In Madison Square Garden the other night, we heard the sickening thud as fist hits flesh. The crowd roared.! Harry Hardhead was down! The new heavyweight champion of the world is now "SCOOP" HUEY.

We see DONNA MARQUARD sitting in her rocking chair near the fire, old, gray, and worn out. But listen, do we hear a stampede of cattle? No, it's the many sets of twins she and Roger have accumulated through the years. She calls them Fiddle and Diddle, Daisy and Maisy, and Therman and Herman.

CONNIE GOLIEN has taken up the hobby of cooking. Her favorite food to prepare is "Brownies." By the way it is also Jim's favorite. How about that!

PAULINE NICKERSON has established a barber shop on 5th Avenue. What's this? Dale Roertson, her favorite customer?

In the deep dark recesses of the laboratory we see a figure bent over a row of test tubes. A terrific explosion rocks the room!! I've found it! I've found it!! yells JAMES MINETTE, "a cure for ingrown toe nails."

KAREN CASPERSEN has roamed America with that famous "Come hither" look in her eye. But as yet she answers to Miss Caspersen. Rumor has it that she has scheduled a voyage to Europe in pursuit of a man on a United States Navy ship. With all those men how could she miss!

IRVIN BARLOW is very successfully running a large cattle ranch in Texas.

Out in Hollywood we find JOAN BRAHENY. Her latest picture is "Get Your Man" and we hear she is so good she is putting Marilyn Monroe out of business!!

We know you expected this. Yes, it is TOM MILLER out plowing the south pasture while inside the white house, wife, Shirley, is feeding the children.

SUE ANN NELSON after completing four strenuous years at Luther has now almost finished her extensive study on the subject, "Which Came First, the Chicken or the Egg?"

The former JACQUELYN FINER and her husband, Jim, are now happily married. But what's this we see, Jackie is still doing the driving while Jim sits by with no criticism.

Shy little JANET HUGINS is still fighting her way through the crowds at Iowa U. She never seems to be at the right place at the right time, but Miss Chambers still insists encourgingly that she should be proud to be included in so wonderful a school of learning.

After deciding on a Navy career JIM BROWNING has worked his way up to Admiral Browning.

Hanna's Horsie Hideout, with MARY JEAN as proprietor, is a flourishing hospital for retired rodeo riders. She is a veteran of many accidents and finds she has much in common with her patients.

JOHN "BUTCH" ASHLAND, after spending a successful hitch in the air force, now owns TWA and has retired on his farm with Barbara.

The president of the Iowa Farm Bureau, BILL BARTLETT, has finally achieved his goal of $40 hogs and $12 per bushel corn.

ROGER "BODY SLAM" BEST, world's champion wrestler, is famous for his "Fall on Them" hold.

MARLYS OLINGER is the new manager of the Lake Theatre. Under the new management we find many new conveniences installed.

You might enjoy watching a session at the Pedelty Dancing Institute where HOLMES is busy teaching his students the Creep and his famous version of the Jitterbug. Holmes does this only as a sideline. His main occupation is being an auctioneer.

SYLVIA HANSON'S name is appearing in lights advertising her occupation — "Madame Sylvia, the Famous Fortune Teller."

NORMA MOSTROM is the private secretary to the president of General Motors Corporation and is advancing rapidly every day.

We see the bright colors of the carnival midway. A white headed barker is drumming up business for his girlie show. Yep, the boy with the big cigar is LYLE STUNKARD.

CAROL COATES is working as a clerk in Miller's Pet Shop. We hear that she will soon be in full partnership with the owner.

A silver streak hums up mud as it comes into the backstretch nearing the 80th lap. It passes car after car in a devil-may-care fashion. The driver is none other than that record Barney Oldfield, DICK PETERSEN,

LOIS PUGH is a private secretary to A. B. Engen. She likes this job fine but still has hopes of settling down on the "Pedelty Estate."

DUANE WALLS, a successful farmer, is the owner of four farms. He still complains about how poor farmers are.

CAROL CARLSON is now wearing the white uniform which was her goal for so many years. Whoops, there seem to be men in little white coats too. Let's take another look at the name of the hospital.

DALE HAUGEN has worked his way up from the bottom and has finally become president of the Camel Cigarette Company.

SHIRLEY HUMBURG has put her musical talent to good use. She has a part in a sideshow raising snakes out of a jar by blowing on her long back stick. She says she never could have been there if it hadn't been for Mr. Wangberg's patient training.

TERRY "K. O." HANSEN, the present world light-heavyweight boxing champion, has successfully defended his title for the 16th consecutive time.

JOAN KLEIN finally caught Delbert and they are happily married. Her problem now is with Dellie Jr., who keeps her guessing all the time. "Wash your ears" is a frequent expression.

JOAN FULLER is President of the Newspaper Association of the United States. She has gone far in her work and we hear there is a rumor that she will be the next President of the United States.

We find RACHEL ZIRBEL sitting on the knee of her young, good-loking boss, rapidly taking dictation. There is a rumor around town that they are to be married soon.

Over in Paris we find MAXINE NYHUS modeling French bathing suits. As we move a little closer, we hear her whispering, "Oui, Cherie," to her barber.

BETTY CARROTT is driving a special bus from Central Heights to Clear Lake. She had to ride the bus so many times during her high school years that she decided upon this occupation because she could not break the habit.

We find MARCIA WATSON going through college for the third time. Still unsatisfied with Illinois men, she is on the look-out for a "perfect" college man.

In a reputable cocktail lounge we see a finely dressed bartender whose name is BILL TARR. Funny thing though, he only serves drinks in Dixie cups.

SHIRLEY HIGHSMITH and Myron are happily married and are prosperous farmers south of town.

DELBERT WATSON is now teaching auto mechanics at Clear Lake High School. Delbert, Jr. is one of his worst students.

In a circus IRENE "FIFI" ARMSTRONG is busily selling balloons to the crowd. The slogan on her back reads, "I'm just doing this for a sideline; my real act comes later."

LARRY "HOTROD" HUMPHRY is driving midget auto racers and he still has trouble holding the road.

We find CORINE ASHLAND a professor of astronomical physics at the Massachusetts Institute of Technology. She is a miser, saving every penny she earns, so that some day, when the right one comes along, she will be prepared.

GARY PATTSCHULL, after having several offers from big league football and baseball teams, is completing his eighth year in the major league.

DON SPRATT is touring golf circuits, and he takes top money in every tournament.

BARBARA GILQUIST is happily settled with Butch on their farm and is finding farm life quite agreeable. When asked if she missed the city, she replied, "No, I prefer the wide open spaces."

You might enjoy watching a session at the Pedelty Dancing Institute where HOLMES is busy teaching his students the Creep and his famous version of the Jitterbug.

We find SHIRLEY ROWE happily settled settled down on the "Miller Acres." She finds raising chickens very enjoyable and, oh yes, a family too!

You might overhear this conversation on your radio sometime. "He jumps, shoots, and scores." Yes, it is ZEKE ZOOK hitting his 17th field goal of the game. It is lucky for George Mikan that he retired.

We find quiet, little MARJIE WALLS on Broadway now, taking the place of T. V. and radio star "My Little Marjie." She invites us all to tune in on station WXYZ.

AUNTIE ARLENE NICKERSON, an old maid, is mournfully watching her twin get her triplets ready for school. As they go out the door she sarcastically calls after them, "Don't let the man in the olive-drab uniform get you."

ETHEL TEMPLETON is now a missionary in Madagascar. The language barrier is making it rather difficult for her to explain to the natives that she hasn't come for their dinner. As a sideline she is running a charter service for the tourists in her fatithful convertible.

TOM "LEFTY" ATKINS is the only pitcher to pitch five no hit, no run games in one season. He has an earned run average of .012.

RUTH FULLER, believe it or not, is married to a Fuller Brush salesman. And as we look through her home, we see her children busily "brushing" around the house.

Clear, mellow tones ring out across the stage. The audience is spellbound. Yes, it is another John Barrymore, the Profile, MIKE MOELLER!

Worried about a theme? Where can you find a certain book? Well, just go to the local library, where you'll find RON BORTON, the librarian, sorting books. He'll know just what you are looking for.

LOWELL KITCHEN has his own string of gas stations now. You'd never know he was wealthy though, with his bare feet and coonskin cap as he waits on his customers.

Who's that well-dressed man stepping into his Cadillac? Why that's JOHN NICHOLS. What caused his rapid rise to fame and fortune? He invented a machine that was able to detect which twin had the Toni.

MARY RORVIG is now happily working as a receptionist in an accountant's office. Whose office?? — Why, her husband's of course!!

NORMA NELSON is now managing the Tot to Teen shop, which is across the street from the school. This way she can keep an eye on her eight children, who model for her, and also upon Papa Miller while he teaches long-hair in the institution.

Many times our thoughts return to those good times we all shared in high school and even though we may hate to admit it, we all wish we we were starting in as freshmen again. Thanks for all your help and guidance.

Always yours,
